How do I apply?

Step 1: Get the Patient Application Form for Prescription Products

- Go to www.amgensafetynetfoundation.com and click on the **Forms** tab; or
- Call us at **1-888-762-6436** and have the form faxed or mailed to you

Step 2: Complete the Patient Application Form for Prescription Products

- Fill out the Patient Information (pages 1 and 2 of the application)
- If you are unsure how to fill out any part of this form, you may be able to get assistance from your provider or you can call us at **1-888-762-6436** to speak to one of our agents

Step 3: Sign and date the Patient Certification and Authorization (page 3 of the application)

Step 4: Have your provider submit a prescription

- Your provider can complete the Product Prescription Form (page 4 of the application); or submit an original script
- Your provider will need to fax one of these documents to us at **1-866-549-7239**

Step 5: Send in your completed Patient Application Form

- Review your application and make sure you have filled in all of the required information to avoid any processing delays
- You can ask your provider to fax your application along with your script to **1-866-549-7239**; or
- You can send your application by fax to **1-866-549-7239** or mail to:
Amgen Safety Net Foundation, PO Box 18769, Louisville, KY, 40261-7821

When will I find out if I'm approved?

Once a completed application and any requested supporting documents have been received and processed, you and provider will be notified of the enrollment decision. **Missing information or an incomplete application will delay an enrollment decision.**

How do I receive my medication?

For Corlanor®, Enbrel®, Repatha®, and Sensipar® once a patient has been enrolled, they will be contacted by Amgen® Safety Net Foundation to provide consent and schedule shipment.

For Prolia® once the patient has been enrolled the provider will be contacted to schedule shipment. Prolia® is shipped directly to the provider.
